C116	<p><b>BAGGAGE REGULATIONS</b> (Applicable to EI [X] and TZ only; applicable to SN only for transportation from/to or via the U.S.A.)</p> <p>(A) <b>CHECKED BAGGAGE</b></p> <p>(1) Nothing contained in this tariff shall entitle a passenger to have his baggage checked on a journey for which Carrier does not offer facilities for checking of baggage.</p> <p>(2) Upon delivery to Carrier of the baggage to be checked, Carrier will insert in the ticket the number of pieces and weight of the checked baggage (which act shall constitute the issuance of the baggage check); in addition Carrier will issue for identification purposes only, a baggage (claim) tag for each piece of baggage so delivered and covered by the baggage check. All checked baggage must be properly packed in suitcases or similar containers in order to ensure safe carriage with ordinary care in handling. Fragile or perishable articles, money, jewelry, silverware, negotiable papers, securities or other valuables will not be accepted as checked baggage.</p> <p>(3) Except as otherwise provided in this Rule, Carrier will, upon presentation by a fare-paying passenger of a valid ticket covering transportation over the lines of such Carrier, or over the lines of such Carrier and one or more other participating Carriers, check personal property which is tendered by the passenger for transportation as baggage, when tendered at the city or airport office designated by the Carrier, and within the times prescribed by such Carrier, but no participating Carrier will check property so tendered:</p> <p>(a) Beyond the destination, or not on the routing, designated on such ticket;</p> <p>(b) Beyond a point of stopover;</p> <p>(c) Beyond a point of transfer or any other Carrier, if the passenger has declared a valuation in excess of the amounts specified in Rule 125 except between points where through interline service is provided without change of aircraft by two or more participating Carriers;</p> <p>(d) Beyond a point beyond which the passenger holds no reservation;</p> <p>(e) Beyond a point at which the passenger is to transfer to a connecting flight, and such flight is scheduled to depart from a different airport than that at which the passenger is scheduled to arrive at such point;</p> <p>(f) Beyond a point at which the passenger desires to resume possession of such property or any portion thereof; or</p> <p>(g) Beyond a point beyond which all applicable charges have not been paid.</p> <p>(B) <b>MOVEMENT OF BAGGAGE</b> Checked baggage will be carried in the same aircraft as the passenger unless such carriage is deemed impracticable by Carrier, in which event Carrier will move the baggage on the next preceding or subsequent flight on which space is available.</p> <p>(C) <b>INSPECTION BY CARRIER</b> Carrier has the right, but not the obligation, to verify in the presence of the passenger the contents of his baggage, and in the case of unaccompanied baggage, to open and examine such baggage whether or not the passenger is present. The existence or exercise of such right shall not be construed as an agreement, express or implied, by Carrier to carry such contents as would otherwise be precluded from carriage.</p> <p>(D) <b>DANGEROUS, DAMAGEABLE OR UNSUITABLE BAGGAGE</b> Passenger must not include in his baggage articles which are likely to endanger the aircraft, persons, or property, which are likely to be damaged by air carriage or which are unsuitable packed, or the carriage of which is forbidden by any applicable laws, regulations or orders of any state to be flown from, into, or over. If the weight size or character of baggage renders it unsuitable for carriage on the aircraft, Carrier, prior to or at any stage of the journey, will refuse to carry the baggage. The following articles will be carried as baggage only with the prior consent of and arrangement with Carrier, in accordance with Carrier's regulations:</p> <p>(1) <b>Firearms</b></p> <p>(a) Firearms will be accepted only when unloaded and suitably packed and when checked for carriage in the baggage or other compartment of the aircraft not accessible to the passenger.</p> <p>(b) At the time of check-in, firearm(s) will be surrendered and the passenger will be required to make a written or verbal declaration that the firearm(s) as surrendered is safe for transportation.</p> <p>(c) When firearms used for sport purposes are carried on the aircraft, entry permits shall be in the possession of the passenger for the country or countries of transit and destination.</p> <p><b>EXCEPTION:</b> An authorized person performing a duty on board an aircraft, such as a law enforcement officer or diplomatic courier, may be permitted to retain custody of his firearm and ammunition upon duly identifying himself at the time of check-in.</p>
